SANDWICH HIGH SCHOOL

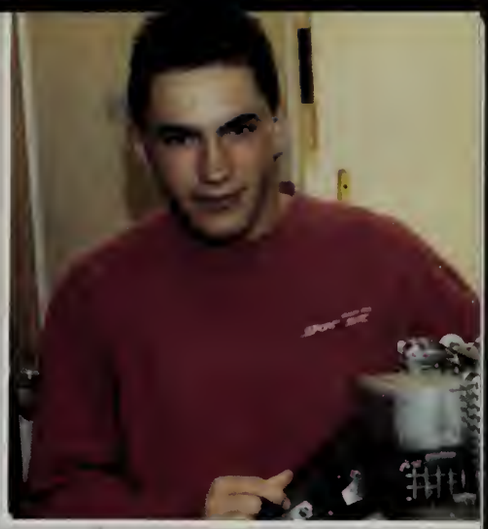
DEDICATION

We the class of 1991, proudly dedicate our yearbook, *Lancer*, to Mr. Steve Waisgerber. His dedication to our class has made it possible for us to accomplish far more than we ever expected. Because of his understanding and sense of humor, our class came together and made our junior prom an absolute success. We will never forget working on our Homecoming floats, summer face-painting, or the Evening in Paris murals with Waisy. Even though he couldn't be with us for prom night, we all remembered the time he gave to us as teacher, advisor, and friend. When we found that Mr. Waisgerber was going to be in the Jr. High for our senior year, we were all disappointed. However, Waisy was still part of all our activities and good times. It's difficult to leave someone we've all come to care about so much. On behalf of the Class of 1991, good luck and thanks for everything. We love you and couldn't have done it without you!



Eric Leblanc is always all smiles.

IN MEMORIUM

Both students and faculty alike felt a sense of disbelief over the realization that one of Sandwich High School's most dedicated teachers is gone. Mr. Winthrop Trenholm was always the first person to volunteer for chaperoning the high school dances, and would stand faithfully outside making sure everything went smoothly. Most of all, Mr. Trenholm will be remembered for his sense of humor and his easygoing manner. He will not soon be forgotten at Sandwich High School. Those of us who have had him as a teacher will remember him for his humorous ways and his amusing stories. Those students who knew Mr. Trenholm solely from dances and hall monitoring will miss his presence everywhere they go. Mr. Trenholm was always there to lend a helping hand in times of need, and will be missed here in Sandwich for a long time to come.

Mr. Trenholm as we remember him best, outside at a sporting event, cheering on S.H.S. sports teams; or in his classroom, working with students on math concepts.

Faculty

Each of us will always remember certain teachers who had an impact on us. Students grow to know and trust their teachers during their school years. A teacher may have had an influence on a student's choice of career or maybe his or her warm smile just made each day a little more enjoyable. These bonds will never be broken despite distance and time. We appreciate our faculty's dedication, although we sometimes have a hard time showing it, and we will not soon forget the many lessons that we have learned.

We Remember . . . .

Win Trenholm was a friend and colleague who could always cheer you up, listen to your problems, lend a helping hand, share a funny moment, and offer a bit of fatherly advice. He is dearly missed and will always be remembered as the one who cared.

Lou Grimaldi

My memory of Mr. Trenholm is a memory of happiness. To me Mr. Trenholm is a man that would do anything for the students at Sandwich High. He was a man with a lot of pride in Sandwich High School. In my heart there will be a piece of Mr. Trenholm forever. I'll miss you and so will the rest of Sandwich. God Bless you, Mr. Trenholm.

Chris Nelson

I remember Mr. Trenholm as a well liked man, who always gave time for his students. Mr. Trenholm would always speak with me after school, he would tell me about his dogs. One day after school, in his room Mr. Trenholm told me how one of his dogs had died the previous evening. I could see the grief in

his eyes, and how much he was really hurting. This was the time I realized what a special person Mr. Trenholm was. He was one of the few teachers who really took the time to care for the kids and the people he worked with. Not only did he teach the kids, but he treated them as if they were his own.

Jeff Curry

Trenny Green—Color named after him because of the color of the jacket he use to wear.

Julie Bach

As a parent, I remember Mr. Trenholm as a very caring teacher. He helped my children along with so many others who were struggling with math (above and beyond the call of duty). As a secretary here at Sandwich High School, I remember Mr. Trenholm as

the last person to pick up his check, sometimes it would be a Tuesday or Wednesday before he would get around to it. He would just grin and say, "this is secondary." His sense of humor and wit will be greatly missed by all of us.

Marie Hamlen

Back in the fall of 1973, my car had become inoperable for about a two week period. This made it almost impossible for me to get to school (I lived in Centerville at this time). When Win found out, he came to see me in school and said that he had two cars and insisted I use one until mine was fixed. I felt that this was a most generous offer. I do not know if I could ever be as caring.

Ed Heywood

I'll never forget how helpful Mr. Trenholm was when I was advisor to the Class of '89. We began the tradition of having teachers dress in costume for the prom and Mr. Trenholm made a handsome King Arthur for Camelot. He loved hamming it up. Also, at the State Finals in '87, he sat with my father at B.U. and cheered on SHS Field Hockey. He was one of our biggest fans. We think he has brought us "heavenly help" this season and hope it continues. He has been in our thoughts all season. We miss him very much.

Suzanne Ericson

Mr Trenholm was one of the best teachers I have ever had. I have changed schools many times and Mr. Trenholm ranked right up there with the best. Mr. Trenholm was one of the most determined and understanding teachers I have ever known. He would stay with someone for hours, going over the same material without losing his patience. I do not think that anyone who went into his class left without a smile. Mr. Trenholm, in my mind, is one of those teachers that you can remember throughout life. I have many fond memories that I can not even write because they would make a book. He was one of the best and it is sad to see him go.

Bob Mattie

Mr. Trenholm was a teacher who would take time out to talk to students about problems that were sometimes not even school related. He understood things from a student's point of view.

Jamie McKenna

At all of the dances, my friend Teri and I would go outside to talk with him. He was always volunteering to chaperone them. He just stood out there smoking his pipe. He was really nice to both of us.

He would make us laugh and feel good about ourselves if either of us had a problem. He was a great friend to talk to.

Jennifer Wysocki

I remember when we were in lunch, he would come over to our lunch table everyday and say something to put a smile on everyone's face.

Joel Finley

Over eight years, Win graciously gave his Friday and Saturday nights to chaperone dances. He always came prepared to do outside duty with his green plaid jacket, worn boots and black stocking cap.

SPORTS

NINETY one

GIRLS' SOCCER

The Girls' Soccer team managed to fulfill their one main goal: to do better than last year. With a record of five wins and eleven losses, the girls did it. Captain Maya Brady had an excellent season and was elected to the Atlantic Coast League All-Star Team. Four year veterans, Captain Jen Pistone and Jamie LeHane, added much strength to the teams offense and defense, both at the halfback position. Captain Maura McKeen's newfound skill in the full-back position kept Sandwich out of trouble on many occasions. Senior Cindy DeNaples played the field while sophomore, Kristen Shepard, took over in the goal cage. Seniors Kate Garrity and Kim Brown gave their all in the center and full-back positions. Coach Walter Alvezi believes that next year's team will do even better. The team is young and will continue to grow.

Jamie Lehane sprints down the sideline in the girls' Homecoming Game.

BOYS' SOCCER

Under the direction of coach Ted Tedeschi, the Boys' Soccer team had a tough season. Captains Jeff Curry and Justin Jones provided leadership for a young team that played better than the record shows. Senior Joel Finley provided strong goaltending, averaging twenty saves a game. Peter Nystrom and Tyler Martin gave the team strong defense in the backfield. Chris Wilcox, Ryan Tedeschi and John LaMontagne put the pressure on the opposing team's defense. Junior, David Curley was the lone selection to the Atlantic Coast League All-Star Team.

CROSS COUNTRY

The Girls' Cross-Country Team, however small in numbers, had a great season. Even though their record does not reflect it, this family of runners had a super season. Three year captain, Lynn Terrill along with veteran Bridget Lonergan were model runners for the team and challenged everyone they were up against. The unity and spirit of this year's team was a force to be reckoned with. Despite a challenging season, the Boys' Cross Country Team sported many fine individual performances. Under the leadership of senior Captain Ben Spofford, the team learned the importance of determination, perseverance and cooperation. First year runner, Graig Joyce, added his speed and talent to the team to make the Fall 1990 season a winner.

FIELD HOCKEY

Once again the Varsity Field Hockey Team gave us an exciting season and won the Atlantic Coast League Title. The girls were led by quad-captains Alanna Cummings, Molly Parece, Alissa Fleet, and Colleen Lynch. Seniors Lee Reis, Christine Vincent and Becca Joyce were the defensive powerhouse on the team while Theresa Fish charged on offense. The season was filled with laughter, tears, hardwork and rewards. Although, they didn't capture the State Title, they learned the value of team spirit and dedication.

GIRLS' SWIM TEAM

This past fall season was a growing year for the Girls' Swim Team. The girls did not give up hope, giving many excellent individual performances under the coaching of Cholace Lussier. Senior Co-Captains, Noelle Dimitri and Erin Norton along with sophomore Meggen Parece, were named to the Pilgrim Conference All-Star Team due to their exemplary performances. The above mentioned also qualified for the South Sectional Swimming Tournament, Dimitri in the 100 breastroke, Norton in the 50 and 100 freestyles and Parece in the 200 and 500 freestyles. Norton also qualified for the state meet in the 100 freestyle. The seniors, Sarah D'Elia, Noelle Dimitri, Jen Rossman and Jen Walker are all five year veterans to the team and will be greatly missed next season. Fall 1990 will be looked back on with fond memories by all.

BOYS' BASKETBALL

Even though it was a disappointing season in the win-loss column, the Varsity Boys' Basketball Team gave the Blue Knight fans an exciting winter. Under coach Mike O'Brien and tri-captains Stephen Benoit, Allen Halley and Tedd Lupien, the team beat Marshfield, Hingham, Middleborough and others in suspenseful home games. On the road, the Knights had some problems but they toppled Scituate for the first time on the Sailor's home court.This young team made up of nine juniors, was led strongly by Dave Curley, Sean Connolly, Scott Pentony and Mike Therrien. Other major contributors throughout the season were John Shaw, Mike Peters, Marc Weedan, Matt Ferris and Dan Cosgrove. Next year looks promising for this team.

CHEERLEADING SQUADS

The Varsity Basketball and Competition Cheerleading Squad faced numerous obstacles this season. Because of illness and or injury the number of girls present at games was down to eight at times. Somehow coach Deborah O'Brien managed to keep the squad together and turn out a winning season. The twelve girls were led by co-captains Candy Baley and Amanda Helfen. Unfortunately Candy was forced to miss part of the season due to a reoccurring knee injury. Diane Fitgueriedo, also a senior, gave enormous help and her talent to the squad. The highlight of the season was their second consecutive first place trophy at the Plymouth Varsity Cheerleading Competition.

In addition to coaching the basketball squad, Coach O'Brien also coaches the Soccer Cheerleaders. This season was a landmark year for the Soccer Cheerleaders for staging the best Homecoming pep rally in the history of Sandwich High. While losing many irreplaceable seniors like Candy Baley (capt.), Amanda Helfen, Diane Figueriedo and Lori Haire, there are many promising underclassmen who are guaranteed to keep up the cheerleading tradition of excellence here at Sandwich.

Coaching the Hockey Cheerleaders this year was Patricia Sigsworth. The girls were lead by four year veterans Gretchen Mattes and Becca Joyce. Although losing two valuable cheerleaders, the squad is quite young and will have the varsity experience they will need to make next year's team the best.

Our Junior Varsity sports are made up of a wide variety of talented young players striving towards the varsity level. Students in grades 9, 10, and 11 are given the opportunity to try out for the following sports: soccer, field hockey, basketball and cheerleading. Playing on a JV team gives a player time to get more experience, build skills, and gain valuable knowledge from their coach. IN THE YEAR 2000 . . .

In the year 2000 I hope to be a Merchant marine making plenty of money. Joel Finley

In the year 2000 I picture myself to be living in a small, fairly active tropical community in SE Florida where beaches, boats, cars, and the most decent and beautiful of women will be easily accessible from my huge estate. Mere servants will attain to my every need while I carefully plan out future events to strengthen my already enterprising empire.

Ben Stafford

I will be experiencing all that the world has to offer and having the time of my life . . . or working @ Julie Bach

In the year 2000, I will contently be residing in Annecy, France, teaching French and English as their foreign language. Ken Pestore

In the year 2000, I think I will be working as a journalist for National Geographic magazine, traveling the world with a gorgeous, green-eyed, 6'3" famed orangutan photographer named Nellie Nimitrin

Still paying for my college education. Cindy

In the year 2000 I picture myself living in California with my husband. I hope to be doing something sports related, and making a lot of $$$. So when I am older I can travel around in Switzerland and buy a mansion and have many servants to wait on me, and drive around in my Mercedes Convertible. Good luck everyone, I'll miss you!!!

Jamie & Blaine

In the year 2000 I will see myself as a struggling lawyer - destined to be successful.

Diane Figueiredo

In the year 2000 I see myself winning fame and fortune in the world's first female Bengladesh Wrestler by Crunchy Peanut Butter

Marcella Reis

In the year 2000 I hope to be sharing a house with my wife and kids in the city of BOSTON. I also hope to have a high paying job in an athletic career involving either Boxing or Baseball.

Jamie McKenna

I picture myself with someone rich living in a warm place in a nice home. I hope to have two kids and become an accountant for Boston Edison.

Marcella Reis

In the year 2000, I will be a famous psychologist living somewhere in Europe. Nicole Howard

SENIORITIS

Senioritis. We all are cursed with this epidemic. Either its has already hit or it will be upon us in a short while. Neverless, it is here to stay. It creeps up on us before we even know what happened. After April vacation, the concentration level of seniors is next to nothing, as well as their teachers' patience. Seniors think of everything but school. It is either graduation, the warm weather, the fact that summer is quickly approaching, or the thought of entering college in September. Whatever the reason, seniors get it and it is not easy to get rid of. This is the time when teachers really have to show what it is they are made of. Getting students minds back into the classroom and out of the clouds is no easy task. But somehow, they manage to do it, just in time for exams. And seniors are very grateful even though they may not show it.

BEST FRIENDS

There are very few things that have meant more to us than our friends. We have looked to them in times of sorrow, pain, joy, and pure exasperation and they have always been there to listen to us. As we continue on in life, our friends will always be there to guide us on our way. Even as these friends enter and exit our lives we will remember the special times that we shared and the lessons that were learned. Friendships such as these will never end in our hearts or in our minds, because treasured memories will last forever.

PRE-PROM

After many class and after-school meetings, the class of 1991 was ready to build Paris in a day, well, sort of. The railroad ties had been purchased and the paint and paintbrushes were ready. But most importantly, the students were ready. The actual construction was much more than just work. It brought the class together in a way that no other event had done before. Classmates worked side by side for two days, most were in the gym for hours on end. The finished product was something for the entire class of '91 to be proud of. The fountain, the cafe, the streets of Paris, and the Eiffel Tower were all splendid but especially in the eyes of the participating classmates. The prom brought pride to each individual in the class of 1991.

PROM

On May 26, 1990, the class of 1991 embarked on a magical journey to the streets of Paris, France. After a great deal of time and effort, the night had finally arrived when the class could reap the rewards of months of preparation and hours of hard work. The theme, An Evening In Paris, proved to be a favorite among the 1991 class as well as the theme song, "All Of My Love", by Led Zepplin. The time finally came to announce the prom court of 1990. Among those on the court were Heidi Lawrence, Cindy DeNaples, Theresa Fish, Maya Brady, Kim Aboltin, Kristan Kovalsky. The king and queen, selected by the band, The Risk, were Justin Jones and Erin Norton. Due to illness, Mr. Steven Waisgerber, the 1991 class advisor was not able to attend, therefore, Mr. Franke served as Master of Ceremonies. Nevertheless, Mr. Waisgerber was there in spirit and the class felt it appropiate to dedicate this event in his honor. This wondrous evening was one of excitement and enchantment. It will remain in the hearts and minds of the class of 1991 forever.

SPIRIT WEEK

Homecoming 1990 will be remembered by all as the first real pep rally. The senior class pulled together and inspired the entire school to "give peace a chance". Familiar 1960's faces such as Sonny and Cher, John Lennon and Yoko Ono, and Joan Baez led at least 100 seniors carrying peace slogans and flowers in their hair into the gym. Overall, the senior class won the spirit week contests, proudly displaying their school colors on blue and white day, topping it off with a variety of wild and crazy hats on hat day, cleverly clashing their outfits on clash day, and sporting a wide array of "hippie" decor on class theme day. On Friday evening, the girls' field hockey team gave an all out performance versus Hingham. The girls' swim team left the opposing Quincy team in their wake with an exciting victory on Friday, also.

HOMECOMING

The glory continued on into Saturday's soccer games, with the girls defeating their long time rival D-Y, and the boys team topping off the festive afternoon with a tie with D-Y. Seniors danced in large groups, enjoying their last Homecoming Dance together, in the arms of close friends. Alissa Fleet and Chris Nelson were crowned Homecoming queen and king, respectively. The court consisted of Jamie Cummings and Katie Miller from the Freshman class, Wendy Bass and Kara Matty from the Sophomore class, Tracy Bass, Sarah Hollander, and Katie MacDonald from the Junior class, and from the Senior class, Lynn Terrill and Molly Parece. Overall, the Senior class joined together as a whole giving their time, energy, and enthusiasm to make Homecoming 1990 a very special one, to be remembered for years to come.

GOOD TIMES

Although we have come from different places at various times, we all have to hold those special elementary school memories dear to our hearts. As we grow up and have children of our own, we will share our experiences—from milk and cookies and show-and-tell in kindergarden to hatching chick eggs and making train and bomb noises at sixth grade lunch. We can tell them of all that happened in between, such as our sing-a-long with Miss Richards, our never ending adventures with Stu Parsons, and our first experience with television on Wing News. We then moved on to where we are now—senior year and graduation. It's hard to believe that school is almost a memory, but is one of those we will hold most precious forever.

UNDERCLASSMEN

NINETY one

The class of 1992 has had a successful year. It was a year full of fun, sweat, hard work, fund-raising, and spending. They are going full-force into their senior year with a load of thanks to their class officials: President Ken Seropian, Vice President Brad Blake, Secretary Bridgette McKane, and Treasurer Glen Garcia. The class offers a special note of appreciation to their class advisor, Beth Malloy.

WORLD EVENTS

The start of 1991 was marred by the commencement of War in the Middle East. Never before has such an event touched the lives of students in Sandwich High School. Although there are many different opinions, which everyone has the right to hold, it is important to support our friends and family who are serving in the Persian Gulf. The times ahead will not be easy. However, during this tragic event we, as the future of the United States, will mature and grow, and bring to society what society has given to us.

426 Wareham Street
Middleboro, MA 02346

As we begin the next stage of our lives, we leave the familiar faces and security of these hollowed halls to pass through the final threshold of our youth. With us, we shall carry the precious memories of the years we spent together. The knowledge we have gained, will be the guiding light in all our future endeavors.

On our journey, we must try to keep our faces toward the sun and allow our shadows to fall behind us. We must have faith in ourselves and let life's pleasures guide us along its rocky shore.

Never let us experience coldness, hunger and hate, but may the warmth of friendship and love fill our hearts and shield us from the illnesses of man. For every night that dies, another day is born.
